Menomonie Police Department Community-Oriented Policing follow-up forums set

Menomonie— This year, Menomonie Police Department implemented Community-Oriented Policing projects for each shift of officers to take on throughout the city in order to identify issues throughout the community and work collaboratively with citizens to solve problems. In the Spring, shifts held citizen forums throughout the community to share information and solicit feedback from citizens living in the area. In early December, shifts will hold follow-up forums to discuss their projects with the community.

North Menomonie: Tuesday, December 5 from 7:00-8:00 p.m. at the Menomonie Public Library

East Menomonie: Thursday, December 7 from 6:30-7:30 p.m. at the Dunn County Judicial Center (Room 1402)

River Heights: Tuesday, December 12 from 6:30-7:30 p.m. at River Heights Elementary school library

These projects directly align with the mission and vision of the Menomonie Police Department: to collaborate with the community to provide a safe and peaceful environment while protecting the liberties of all persons; and to be recognized as a professional law enforcement agency that responds to the dynamic changing needs of the public through innovative and collaborative efforts involving all community shareholders.
